

I'm very claustrophobic and tried twice at other facilities to get an MRI done. My experience here was the best I've experienced. great people!!

Professional, courteous and caring...what more can I say?

**Really like the personal touch
We had a great experience... thank you**

Very professional and convenient. Thank you for getting me in so quickly

Tech person knew I was very worried about going in the tunnel and went out of her way to make sure I was comfortable. Excellent, super-sweet person!!!

The tech kept telling me I was doing good... gave support in a stressful situation

Good service, nice people

Everyone was extremely pleasant and friendly. The process was very relaxed, yet professional. I will definitely recommend Mid America to everyone I know

Everyone was so kind and courteous to me from the greet when you walked in, to filling the form on your procedure, till the good-bye at the end. Awesome people!

... this is the service that everyone should receive at all appointments

The staff is very outstanding and treat you with respect. Thank you for your excellent service

Overall quick and easy experience... Good job!!!

Best imaging experience I've had. Superb job!

Don't ever quit offering open MRI!

I felt comfortable from the time I walked in ... showed interest in me as a person

Had several studies here. Always a great experience

... wait time to get an appointment scheduled is minimal

Timely and professional. My number 1 go to place for my imaging needs.
